### Limited Trading Authorization and Agreement for Autotrade Service

Autotrade is a service offered by tastytrade, Inc. ("tastytrade") to its customers. Customers who enroll in this service instruct tastytrade to purchase and sell securities in their tastytrade brokerage account(s) ("Account") according to the trade recommendations of a third party Newsletter Service Provider ("NSP"), to which customers have subscribed (hereinafter, "Autotrade Service"). Once a customer enrolls in this Autotrade Service by submitting this Limited Trading Authorization and Agreement for Autotrade Service ("Agreement"), tastytrade will effect transactions in an Account without further authorization from the customer.

The NSPs provide newsletters, trade signals, recommendations, advisory services, or trading strategies to investors. Customers contract directly with the NSP to acquire such services. All NSPs in the Autotrade program are unaffiliated with tastytrade. The unaffiliated NSPs may or may not be registered investment advisers, and inclusion in the Autotrade program does not imply that they either are or are not required to be so registered. tastytrade does not require NSPs to be registered in any capacity. The NSPs are responsible for the services they provide and compliance with any applicable laws.

In signing up for the service, you are authorizing tastytrade to act in the limited capacity of accepting instructions from the designated NSP to buy, sell (including short sales), and trade or otherwise acquire, including without limitation stocks, and/or puts, calls, options, or other contracts relating to the same on margin or otherwise ("Autotrade Service"), in accordance with the tastytrade Customer Agreement applicable to your Account custodied at Apex Clearing Corporation ("Apex"). This Agreement supplements the all other tastytrade and Apex Agreements between you and tastytrade and Apex.

tastytrade's sole responsibility with respect to any Autotrade Service will be limited to using commercially reasonable efforts to receive instructions from the NSP and to enter orders in customers' Accounts pursuant to the recommendations made by the NSP. tastytrade is not responsible for monitoring whether the services customers receive from the NSP or its representatives, employees, or other agents are in accordance with the terms of the agreement between the customer and the NSP. tastytrade does not monitor, and is not responsible for monitoring, the performance of any NSP recommended trades or investments and makes no representations about an NSP's ability to achieve any returns or other trading objective, or to limit losses.

**TASTYTRADE DOES NOT VERIFY, GUARANTEE, OR MAKE ANY ASSURANCES RELATING TO THE EXPERIENCE, CREDENTIALS, PERFORMANCE, OR ANY OTHER FACTORS RELATING TO THE NSP OR QUALIFICATIONS OFFERED THROUGH THE AUTOTRADE SERVICE. TASTYTRADE DOES NOT RATE, RANK, OR ENDORSE ANY NSP IN THE AUTOTRADE SERVICE, AND AN NSP'S INCLUSION IN THE AUTOTRADE SERVICE DOES NOT CONSTITUTE AN ENDORSEMENT OR RECOMMENDATION OF ANY KIND. TASTYTRADE IS NOT RESPONSIBLE FOR ANY THIRD PARTY WEBSITE CONTENT, ADVERTISING, OR DISCLOSURES. TASTYTRADE AND EACH NSP HAVE THEIR OWN PRIVACY POLICIES. INFORMATION YOU GIVE TO A NSP OR THAT TASTYTRADE GIVES TO A NSP ON YOUR BEHALF IS GOVERNED BY THE PRIVACY POLICY OF THAT NSP, NOT TASTYTRADE'S PRIVACY POLICY.**

Due to the nature of communications with NSPs, technology systems, order processing and other factors in processing the Autotrade Service, processing of a customer order may take longer than if the customer entered the order on their own without using the Autotrade Service. The Autotrade Service is being provided by tastytrade on a best efforts basis with all orders handled as not held orders. tastytrade reserves the right to aggregate orders entered simultaneously for multiple customers who may be signed up for the same NSP and transmit the order to the marketplace as a single order. If the order is not filled in its entirety, the partial fill will be allocated among the customers' Accounts on a pro rata basis.

tastytrade may accept and rely upon any purchase or sale instructions received from the NSP through the Autotrade Service concerning customer's Account, and shall have no obligation to determine whether such instructions received from the NSP or its representatives, employees, or other agents are in accordance with the terms of this Agreement or the terms of the agreement between a customer and the NSP.

tastytrade, in its sole discretion, may at any time cease to honor instructions from any NSP, and will notify customers of any NSP that is no longer participating in the Autotrade Service. If tastytrade ceases to allow an NSP to participate in the

Autotrade Service, all future allocations will be set to zero and customers are responsible for making any trading or investment decisions thereafter, including, but not limited to, whether to maintain, close out or hedge any existing positions.

At any time, and without prior notice, tastytrade reserves the right to amend this Agreement. Customers' continued use of the Autotrade Service after such amendment constitutes acceptance to be bound by such amendment regardless of whether customers have reviewed them. The current version of this Agreement will be available on tastytrade's website.

From time to time, tastytrade may have marketing agreements with some of the NSPs. The existence of a marketing agreement does not constitute a recommendation or endorsement of such NSPs.

**IT IS THE SOLE RESPONSIBILITY OF CUSTOMERS TO SUPERVISE AND MANAGE THEIR ACCOUNT(S) AND THEIR PERFORMANCE.
